Here are a brief list of our new products for July:

fast paced world. From the first time that I met the owners, Marc and Jacinthe, I have always felt a warm, welcome and loving atmosphere in their boutique. Marc has been exceptional in helping me align my energy with chakra tuning and Jacinthe has a wealth of knowledge regarding crystals and authors and which would be most helpful to me.

I have had a number of sessions with Marc and each time he provides excellent advise to me. My husband says that he has seen wonderful changes in me since I have been going to Marc.

The boutique itself is filled with wonderful items from around the world. Hand picked items that are unique to the store as the artisans normally only make one copy of the items and then do different designs.

If you are looking to find a little peace and serenity in your life, you need look no further than Arc-Ange-Ciel to meet your needs!
